**I DO NOT WANT A FLU SHOT:**

I Acknowledge that I am aware of the following facts:

- Influenza is a serious respiratory disease, on average 36,000 Americans die every year from influenza-related causes.
- Influenza virus may be shed for up to 24 hours before symptoms begin, increasing the risk of transmission to others.
- Some people with influenza have no symptoms, increasing the risk of transmission to others.
- Influenza virus changes often making annual vaccination necessary. In Maryland influenza usually begins circulating in January and continues through February or March.
- I understand that the influenza vaccine cannot transmit influenza and it does not prevent all disease.
- I have declined to receive the influenza vaccine for this season. I acknowledge that the influenza vaccination is recommended by the Centers for Disease Control and Prevention for all healthcare workers in order to prevent infection from and transmission of influenza and its complications, including death, to patients, my coworkers, my family, and my community.

Knowing these facts, I choose to decline the vaccination at this time.

I may change my mind and accept the vaccination later, if available. I have read and fully understand the information on this declination form.

I decline vaccination for the following reason(s). Please check all that apply.

- I believe I will get influenza if I get the vaccine.
- I do not like needles.
- My philosophical or religious beliefs prohibit vaccination.
- I have an allergy or medical contraindication to receiving the vaccine.
- I do not wish to say why I decline.
- Other reason, please indicate \_\_\_\_\_
